

Summer Intern

Corner Architecture | Summer 2025

About Us

Corner Architecture is a boutique design practice serving New York State and beyond. We specialize in creating distinctive 'third places,' residential homes, and hospitality spaces that foster community and connection. Our approach combines refined aesthetics with innovative thinking to transform spaces into meaningful environments. We're committed to bespoke solutions, elevating human experience, and meticulous attention to detail. Our collaborative team offers valuable learning opportunities for emerging designers.

Position Overview

We are seeking a talented and motivated architecture or interior design student for a summer internship position. The successful candidate will assist our team on interior design projects, focusing on technical documentation and 3D visualization. This is an excellent opportunity to gain hands-on experience in a professional architecture practice while building your portfolio.

Responsibilities

- Assist principal architect with interior design projects from concept to completion
- Create and modify Revit models for interior spaces
- Develop photo-realistic renderings of proposed designs
- Prepare client presentation materials including boards, digital presentations, and sample materials
- Create marketing materials for the office
- Create and maintain graphic standards for the office
- Participate in design team meetings and contribute creative ideas
- Support the documentation process for projects in progress
- Research materials, fixtures, and furnishings as needed

Requirements

- Currently enrolled in an accredited architecture or interior design program
- Proficiency with Autodesk Revit and 3D modelling skills
- Experience creating photo-realistic renderings
- Strong visual communication and presentation skills
- Knowledge of interior design principles and current trends
- Excellent attention to detail and organizational abilities
- Ability to work collaboratively in a team environment
- Strong time management skills to meet project deadlines

Preferred Qualifications

- Experience with Adobe Creative Suite (Photoshop, InDesign, Illustrator)
- Experience with Revit modelling and documentation
- Understanding of architectural construction documents
- Experience with AutoCAD and how to follow graphic standards

Internship Details

- **Format:** Remote with flexible hours
- **Employment Type:** Contract
- **Duration:** 4-8 weeks (during June - August 2025)
- **Compensation:** Base on experience

How to Apply

Please submit the following to: info@cornerarchitecture.com

1. Resume/CV
2. Cover letter listing relevant experience or courses taken in the past
3. Portfolio of relevant work (PDF format, maximum 10MB, or link to online portfolio)
4. Available start and end dates
